

## **SPEEDPAY® AND DIVDAT EXPAND CUSTOMER PAYMENT SOLUTIONS FOR UTILITY CLIENTS**

**Convenient Kiosks Enable Utilities to Offer Customized  
Self-Service Payment Locations**

### **ENGLEWOOD, CO (MAY 4, 2017)**

Speedpay, Inc., a Western Union subsidiary, announced today its alliance with DivDat, a leading billing and payments solutions kiosk provider. This strategic agreement provides Speedpay's current and future utility clients the ability to provide easy-to-use, self-service payment kiosks that can be placed onsite or at a location of their choice, enabling customers to conveniently pay their bills.

**“subsidiary, announced today its alliance with DivDat, a leading billing and payments solutions kiosk provider. This strategic agreement provides Speedpay's current and future utility clients the ability to provide easy-to-use, self-service payment kiosks that can be placed onsite or at a location of their choice, enabling customers to conveniently pay their bills. ”**

DivDat Kiosks combine all aspects of hardware, software, installation, maintenance and the power of Speedpay's reliable payments processing into one solution that reduces costs while promoting greater customer convenience. Combined with Western Union Walk-In Payments, the new DivDat alliance allows Speedpay to help utility companies better serve today's underbanked and cash-preferred population, affording remote and offline consumers ease and convenience. DivDat Kiosks complement Speedpay's robust suite of payments offerings.

By adding the Speedpay-enabled DivDat Kiosk to their existing payments strategies, utility companies are able to offer their customers:

- Access to their account with or without their account number or bill
- Account information such as payment due date, amount owed, etc.
- The ability to pay their bill using cash processed by DivDat or check, credit or debit card processed by Speedpay
- Options to receive their receipt via print or email

“We look forward to working with Speedpay to help people pay their bills in a convenient manner,” said Jason Bierkle, President of DivDat. “The DivDat Kiosk Network is all about leveling the playing field for people to pay bills in a convenient location at a time and method of their choosing. Our vision is to deploy technologies to allow consumers access to pay their bills in a real-time environment.”

Speedpay offers clients billing and payments solutions through various channels and across multiple industries, helping reduce costs, increase efficiency and improve customer satisfaction. Speedpay services also maintain an average of 99.98 percent uptime and offer 24/7 support, 365 days a year.

## ABOUT DIVDAT

DivDat is a billing and payment solutions provider with more than 40 years of experience. We assist clients with more ways to get paid through efficient and effective solutions including Printing and Mailing services, Electronic Bill Presentment & Payment, Mobile Payments, IVR Phone Payments, Self-Service Payment Kiosks, and Payment Processing. DivDat helps consumers and major billers such as utilities, courts, cities and taxing authorities to make and receive payments in a high-tech, low-cost manner that is safe and convenient. On the payment side, DivDat provides web-based, mobile and interactive voice response as well as Kiosk, mobile App and point-of-service programs. All of these services help companies secure revenues they might not have otherwise obtained. The kiosk has proven very effective for walk-in payment customers. We help organizations get paid faster and enhance their customer satisfaction ratings.
